## New Perspectives in Southeast Asian Studies

*Series Editors: Alfred W. McCoy, Ian G. Baird, Katherine Bowie, and Anne Ruth Hansen*

*Associate Editors: Warwick H. Anderson, Ian Coxhead, Michael Cullinane, Paul D. Hutchcroft, and Kris Olds*

New Perspectives in Southeast Asian Studies publishes academic books that focus on historical and contemporary problems in this dynamic region, from local issues through global interconnections. While the series as a whole covers cultural, economic, environmental, political, and social issues, individual titles aspire to the fine-grained research and theoretical innovation long associated with scholarship on Southeast Asia. Editorial work is a collaborative effort between the University of Wisconsin Press and the University's Center for Southeast Asian Studies, a National Resource Center that has promoted the study of this region for forty years.
